

CORPORATE GOVERNANCE REPORT

Far East Hospitality Trust (“Far East H-Trust”) is a hospitality stapled group comprising Far East Hospitality Real Estate Investment Trust (“Far East H-REIT”) and Far East Hospitality Business Trust (“Far East H-BT”).

Far East H-REIT is a real estate investment trust constituted by the trust deed dated 1 August 2012 (as amended, varied or supplemented from time to time) (“Trust Deed”) and entered into between FEO Hospitality Asset Management Pte. Ltd. (in its capacity as the manager of Far East H-REIT) (the “REIT Manager”) and DBS Trustee Limited (in its capacity as the trustee of Far East H-REIT) (the “REIT Trustee”).

Far East H-BT is a business trust constituted by the trust deed dated 1 August 2012 (as amended, varied or supplemented from time to time) and entered into by FEO Hospitality Trust Management Pte. Ltd. (in its capacity as the trustee-manager of Far East H-BT) (the “Trustee-Manager”). Far East H-BT has been dormant since Far East H-Trust was listed on the Mainboard of Singapore Exchange Securities Trading Limited (the “SGX-ST”).

The REIT Manager has been issued a Capital Market Services Licence by the Monetary Authority of Singapore (“MAS”) for real estate investment management (“CMS Licence”) pursuant to the Securities and Futures Act 2001 of Singapore (the “SFA”) on 10 August 2012.

FAR EAST H-TRUST AND CORPORATE GOVERNANCE

The framework of relevant legislations and guidelines governing Far East H-Trust include:

- i. The SFA;
- ii. The Code on Collective Investment Schemes (including Appendix 6 thereon on property funds) (the “CIS Code”, and Appendix 6 of the CIS Code, the “Property Funds Appendix”);
- iii. The Listing Manual issued by SGX-ST (the “Listing Manual”);
- iv. The Business Trusts Act 2004 of Singapore;
- v. The Code of Corporate Governance 2018 (“the Code”); and
- vi. Written directions, notices, codes and other guidelines that may be issued by the MAS from time to time.

The REIT Manager and the Trustee-Manager (“the Managers”) are fully committed to upholding the highest standards of corporate governance, business integrity and professionalism in all its activities. The Managers believe that sound and effective corporate governance policies and practices are essential in achieving sustainable growth, and consequently a trusted, successful and respected Far East H-Trust.

This corporate governance report (“CG Report”) sets out Far East H-REIT’s corporate governance framework and practices with specific reference to the principles and the provisions of the Code of Corporate Governance 2018, in accordance with to Rule 710 (“Rule 710”) of the SGX Listing Rules, and where applicable, the Listing Manual and the Companies Act 1967 of Singapore, (“Companies Act”). For the financial year ended 31 December 2022 (“FY 2022”), save as stated in this CG Report, Far East H-REIT has complied in all material aspects with the principles of the Code. Where there are variations from any of the provisions of the Code, an explanation has been provided within this CG Report, which includes the reason for the variation, as well as the practices adopted to be consistent with the intent and philosophy of the relevant principle in question.

Due to the different legislative and regulatory requirements in relation to a REIT as compared with a business trust, the corporate governance disclosure requirements in relation to the REIT Manager are different from those in relation to the Trustee-Manager.

CORPORATE GOVERNANCE REPORT

(A) BOARD MATTERS

THE BOARD'S CONDUCT OF AFFAIRS

Principle 1: The company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

ROLE OF THE BOARD

Pursuant to the Trust Deed, the board of directors of the REIT Manager (the "Board") is entrusted with the responsibility for the overall management of the REIT Manager and has general powers of management over the assets of Far East H-REIT.

The key roles and responsibilities of the Board are to:

- Set strategic objectives and direction, and provide guidance to the management of the REIT Manager ("Management") in executing those objectives;
- Manage Far East H-REIT's assets and liabilities for the benefit of the stapled securityholders of Far East H-Trust ("Stapled Securityholders");
- Formulate the business plans in relation to Far East H-REIT's properties;
- Recommend to the REIT Trustee on the acquisition, divestment or enhancement of assets of Far East H-REIT in accordance with its stated investment strategy;
- Ensure Management discharges its duties with integrity and accountability, and demonstrate the highest level of skills and professionalism;
- Establish a framework of prudent and effective controls that enables risks to be assessed and managed to safeguard the interests of the Stapled Securityholders and the assets of Far East H-Trust;
- Consider sustainability issues such as environmental issues as part of its strategic formulation;
- Ensure that Management maintains sound measures relating to corporate governance, financial regulations and internal policies including the Code of Conduct (further elaborated on pages 117 and 118); and
- Consider the perceptions of stakeholders that will affect Far East H-Trust's reputation.

BOARD COMMITTEES

In the discharge of its functions, the Board is supported by three board committees which also serve to ensure that there are appropriate checks and balances. These committees are the Audit, Sustainability and Risk Committee ("ASRC"), the Nominating Committee ("NC") and the Remuneration Committee ("RC") (collectively known as "Board Committees"). Each of the Board Committees is chaired by independent directors ("IDs") and reports to the Board. Membership of the various Board Committees is managed to ensure an equitable distribution of responsibilities among Board members, to maximise the effectiveness of the Board and to foster active participation and contribution from Board members. Diversity of experience and appropriate skills are considered in the composition of the respective Board Committees. The three Board Committees have different compositions in terms of members to encourage optimal contribution by all Board members and to have a wider range of views and perspectives.

Each of the Board Committees has its own written terms of reference and operates under delegated authority from the Board. However, the Board retains overall responsibility for all decisions made by the Board Committees. Information on the ASRC, NC and RC can be found in the "Accountability and Audit"; "Board Membership" and "Board Performance"; and "Remuneration Matters" sections of this CG Report respectively.

CORPORATE GOVERNANCE REPORT

BOARD MEETINGS AND ACTIVITIES

The Board meets regularly, at least once every quarter, and as required by business imperatives or particular circumstances, to discuss and review business strategies and policies of Far East H-Trust, including any significant acquisition or disposal, portfolio performance, business outlook, movement in stapled securityholdings, and to approve the release of half-yearly and annual financial results as well as interim business updates.

In addition, the IDs of the Board schedule to meet as and when required to discuss matters without the presence of Management and the Chairman of the Board. In 2022, the IDs had one such meeting chaired by Ms Vivienne Lim, the lead independent director ("Lead ID").

As a general rule, Board and Board Committee meeting notices and papers are required to be sent to the Directors and members of Board Committees at least five business days before the meetings. This would also enable any director who is unable to attend a meeting to provide input and raise queries on the agenda items. Board papers give the background, explanatory information, justification, risks and mitigating measures for each agenda item and mandate sought by Management, including, where applicable, relevant details, budgets, business plans, forecasts and projections. Directors can ask for additional information as needed to make informed decisions. However, papers containing price sensitive information may be tabled at the meetings themselves or discussed without any papers being distributed. All Board and Board Committee papers are kept and disseminated via an electronic board portal, which has proven to be an effective, secure and sustainable form of communication.

Executive officers of Far East Organization, external consultants or advisers who can provide additional insight into the relevant matters at hand may be invited to attend the meetings. The executive officers of Far East Organization will not participate in any decision-making process involving transactions between Far East H-Trust and the Sponsor, comprising Far East Organization and its group of companies ("FEO").

Management recognises that the flow of information in an accurate, complete, adequate and timely manner is critical for the Board to be effective in discharging its duties. At the quarterly Board and ASRC meetings, Directors are updated on developments, challenges and changes in the operating environment, including changes in accounting standards, changes in laws and regulations governing the REIT industry, or changes that have a bearing on Far East H-Trust. The Board and Board Committee papers given to the Directors include updates on the operating and financial performance, strategic plans, regulatory and compliance updates and any other matters for discussion. On a monthly basis, Management also provides the Board with a brief update on the operating performance of Far East H-Trust, to enable the Board to exercise effective oversight.

The Directors of the Board have separate and independent access to Management and the Company Secretary at all times, and they are entitled to request from Management additional information to make informed decisions. The Directors, either individually or as a group, may at the REIT Manager's expense seek independent professional advice where appropriate, in order to discharge their duties effectively.

The corporate secretarial agent is Tricor Evatthouse Corporate Services, and the named Company Secretaries are Lin Moi Heyang and Low Mei Wan. They attend to all corporate secretarial matters for the REIT Manager. At least one of the Company Secretaries attends all Board and Board Committee meetings and prepares minutes of meeting proceedings. They assist the Chairmen of the Board and Board Committees in ensuring that Board and Board Committee procedures are followed and that the REIT Manager's Constitution, Terms of Reference of the Board and Board Committees, applicable rules and regulations and best practices are complied with. The Company Secretaries advise the Board on all governance matters. They also work with Management to ensure that Board and Board Committee papers are provided to each Director at least five business days ahead of meetings. Their responsibilities also include assisting the REIT Manager in preparing the announcements to be uploaded on the SGXNET as required under the Listing Manual.

CORPORATE GOVERNANCE REPORT

Where exigencies prevent a Director from attending a Board meeting in person, the Constitution of the REIT Manager permits the Director to participate via audio or video conference. The Board and Board Committees may also make decisions by way of resolutions in writing. In each meeting where matters requiring the Board's approval are to be considered, all members of the Board participate in the discussions and deliberations; and resolutions in writing are circulated to all Directors for their consideration and approval. The exception is where a Director has a conflict of interest in a particular matter, in which case, he or she will be required to recuse himself or herself from the deliberations and abstain from voting on the matter. This principle of collective decisions adopted by the Board ensures that no individual influences or dominates the decision-making process.

The number of meetings of the Board, ASRC, NC and RC held during FY 2022, as well as the attendance of every Director at these meetings and at the last annual general meeting are set out in the table below:

	Board Meetings	ASRC Meetings	NC Meetings	RC Meetings	Annual General Meeting

N.A. Not applicable.

The Board has approved a list of matters reserved for the Board's decision-making. This sets clear directions for Management on matters that must be approved by the Board.

The list of matters reserved for the Board's approval includes, but is not limited to:

- Long term strategy and objectives of Far East H-REIT
- Annual budget and business plans in relation to Far East H-REIT's properties
- Policies to safeguard the interests of the Stapled Securityholders and the assets of Far East H-REIT
- Investment strategy and mandate
- Distribution policy
- Announcements and press releases concerning Far East H-REIT
- Board memberships and other appointments
- Appointment and removal of the Company Secretary

In fulfilling its responsibilities to Far East H-REIT, the Board has approved a set of financial controls which sets out approval limits for operating expenditures, capital expenditures, procurements, general and administrative expenses and leases as well as arrangements in relation to cheque signatories. Appropriate delegation of authority and approval sub-limits are also provided at management level to facilitate operational efficiency.

CORPORATE GOVERNANCE REPORT

ORIENTATION AND TRAINING FOR DIRECTORS

The NC exercises oversight on the orientation, training and professional development of Directors, and also ensures that new Directors are aware of their duties and obligations.

The Board has a comprehensive and structured orientation framework. Newly-appointed Directors attend a familiarisation exercise whereby they undergo a tailored programme to enable them to have a good understanding of Far East H-Trust.

The orientation exercise consists of:

- Management presentations on Far East H-Trust's strategic objectives, business, operations, responsibilities of key management personnel, financial and governance practices; and
- Site visits to Far East H-Trust's properties (hotels and serviced residences).

In addition to the above, copies of the minutes of immediate past Board and Board Committee meetings are made available to newly-appointed Directors. They are also provided with other materials relating to the Board and Board Committees, including the terms of reference of the various Board Committees on which they are appointed as well as relevant guidelines and policies.

Mr Gerald Lee, CEO of the REIT Manager and Trustee-Manager was appointed as Executive Director of Far East H-Trust on 1 July 2022. He has completed mandatory training provided by the Singapore Institute of Directors ("SID") on Listed Entity Directors ("LED") modules 1 to 4 and Environmental, Social and Corporate Governance Essentials from July to October 2022, well within one year of his appointment in 2022. This is in accordance with SGX Listing Rule 210 (5)(a) which states the requirement for first-time directors of an issuer on the Exchange to undertake training as prescribed by the Exchange.

The Board also recognises the importance of continual training and development for its existing Directors so that they can perform their roles on the Board and Board Committees to the best of their abilities. There is a Continuing Professional Development programme in place for all Board members to equip them with the appropriate skills and knowledge required. As part of this programme, Directors undergo ongoing education particularly on relevant new laws, changes to regulations and accounting standards, environmental, social and governance ("ESG") matters and other industry-related matters. They are briefed on areas such as directors' duties and responsibilities under the Companies Act, Listing Manual, SFA, etc. to enable them to carry out their statutory and fiduciary duties as well as to be updated on matters that may affect or enhance their performance as Board members. Additionally, directors may also recommend suitable training and development programmes to the Board.

Directors are encouraged to participate in industry conferences, seminars, courses and training programmes which are relevant to their duties. Training programmes include those organised by the SID on corporate governance, leadership and industry-related subjects. The Continuing Professional Development programme for Board members comes under the NC's purview, and the REIT Manager funds the training and development programmes for existing and new Board members.

CORPORATE GOVERNANCE REPORT

Apart from courses that Directors attend and participate in by themselves, the REIT Manager arranged and facilitated the attendance and/or conduct of the following training programmes (which include seminars, conferences and workshops) for its Directors in FY 2022:

- ACRA-SGX-SID Audit Committee Seminar 2022
- SID Environmental, Social and Governance Essentials
- Singapore Governance and Transparency Forum 2022
- SID Directors Conference 2022
- SID Listed Entity Directors Programme
- Sustainability Reporting for the Future
- SGX ESGenome
- Key Regulatory Updates by KPMG

The Board is regularly updated either during board meetings or at specially convened meetings (with the attendance of professional advisors, consultants, auditors and Management) on areas that may affect Far East H-Trust's business and developments. The Management also provides the Board with timely information through regular updates on financial results, market trends in the hospitality sector and business developments.

BOARD COMPOSITION AND GUIDANCE

Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

The Board reviews the size and composition of the Board, with a view to ensuring effective decision making by taking into account the scope and nature of the operations of Far East H-Trust.

REVIEW OF DIRECTORS' INDEPENDENCE

The independence of Directors is reviewed by the NC annually on a formal basis since the formation of the NC on 19 January 2016. The Board was established in 2012, and none of the independent directors has served on the Board beyond nine years since the date of his or her first appointment. Additionally, none of the Directors has been a substantial shareholder of the REIT Manager, or substantial Staped Securityholder of Far East H-REIT.

Directors complete an annual confirmation of independence, whereby they are required to critically assess their own independence including independence from the major shareholder and management, which the NC takes into account for the purposes of this review. The Board has considered and determined, taking into account the views of the NC, that Ms Vivienne Lim, Ms Catherine Lee, Ms Celestine Khoo and Mr Benedict Leh have demonstrated independence in character and judgement in the discharge of their responsibilities as directors in FY 2022, and is satisfied that each of them has acted with independent judgement. The Board has also assessed the relationships or circumstances which are likely to affect, or could appear to affect, the directors' judgement. Based on the annual review of the directors' independence conducted by the NC, the criteria of independence as set out in the Code and SGX Listing Rule 210 (5)(d), and the declarations by the IDs of their independence, the Board is satisfied that Ms Vivienne Lim, Ms Catherine Lee, Ms Celestine Khoo and Mr Benedict Leh are independent.

In FY 2022, none of the IDs had any business relationship with the REIT Manager, its related companies, its substantial shareholders or its officers, as well as with Far East H-REIT and its substantial Staped Securityholders that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgement in the best interests of Far East H-Trust.

CORPORATE GOVERNANCE REPORT

During FY 2022, each of the IDs had been independent from the management of the REIT Manager and Far East H-REIT, as well as from every substantial shareholder of the REIT Manager, and every substantial Stapled Securityholder of Far East H-Trust. This is in accordance with the guidance in the Securities and Futures (Licensing and Conduct of Business) Regulations (SFR), Regulation 13E(b)(i).

Mr Wee Kheng Jin (Chairman of the Board) was previously an Executive Director in FEO until his retirement on 31 December 2018, after which he continues his association with the Group as a Senior Advisor. At the same time, Mr Wee had also retired from the boards of all other FEO-related companies remains as director of FEO Hospitality Asset Management Pte. Ltd. (the REIT Manager) and FEO Hospitality Trust Management Pte. Ltd. (the Trustee-Manager). The Board has reviewed and is satisfied that, as at the last day of FY 2022, Mr Wee Kheng Jin, although being a non-independent director, was able to act in and has acted in the best interests of all the Stapled Securityholders of Far East H-Trust. This is in accordance with the guidance in the Securities and Futures (Licensing and Conduct of Business) Regulations (SFR), Regulation 13E(b)(ii).

BOARD COMPOSITION AND DIVERSITY POLICY

As of 31 December 2022, the Board comprises six directors, four of whom are independent directors and of the two non-independent directors, one (being the Chairman) is a non-executive director and another (being the CEO) is an executive director. The composition of the Board therefore complies with Provision 2.3 of the Code where majority of the Board is made up of non-executive directors and Provision 2.2 of the Code where majority of the board is made up of independent directors where the Chairman is not independent. This enables Management to benefit from their invaluable and objective perspectives on issues that are brought before the Board.

The current composition of the Board and the Board Committees is set out below:

Name of Director	Appointment	Audit, Sustainability and Risk Committee	Nominating Committee	Remuneration Committee
Wee Kheng Jin	Chairman Non-Independent Non-Executive Director	–	Member	Member
Vivienne Lim Hui Bian	Lead Independent Director	Member	Chairman	Member
Catherine Lee Khia Yee	Independent Director	Member	Member	–
Celestine Khoo Geok Choo	Independent Director	Member	–	Chairman
Benedict Leh Song	Independent Director	Chairman	–	–
Gerald Lee Hwee Keong	Executive Director and CEO	–	–	–

The REIT Manager believes that a balanced Board can provide the diversity of viewpoints and insights that will enhance decision-making. Towards this end, the Board has established a Board Diversity Policy that seeks to have an appropriate level of diversity in its composition, including the dimensions of skills, knowledge and industry experiences, gender, age and tenure.

A diversity of tenure will achieve the progressive renewal of the Board so that there is the continuity of experienced directors as well as the onboarding of new directors to provide fresh perspectives on an ongoing basis. All director appointments will be based on merit, having due regard to the overall balance and effectiveness of the Board.

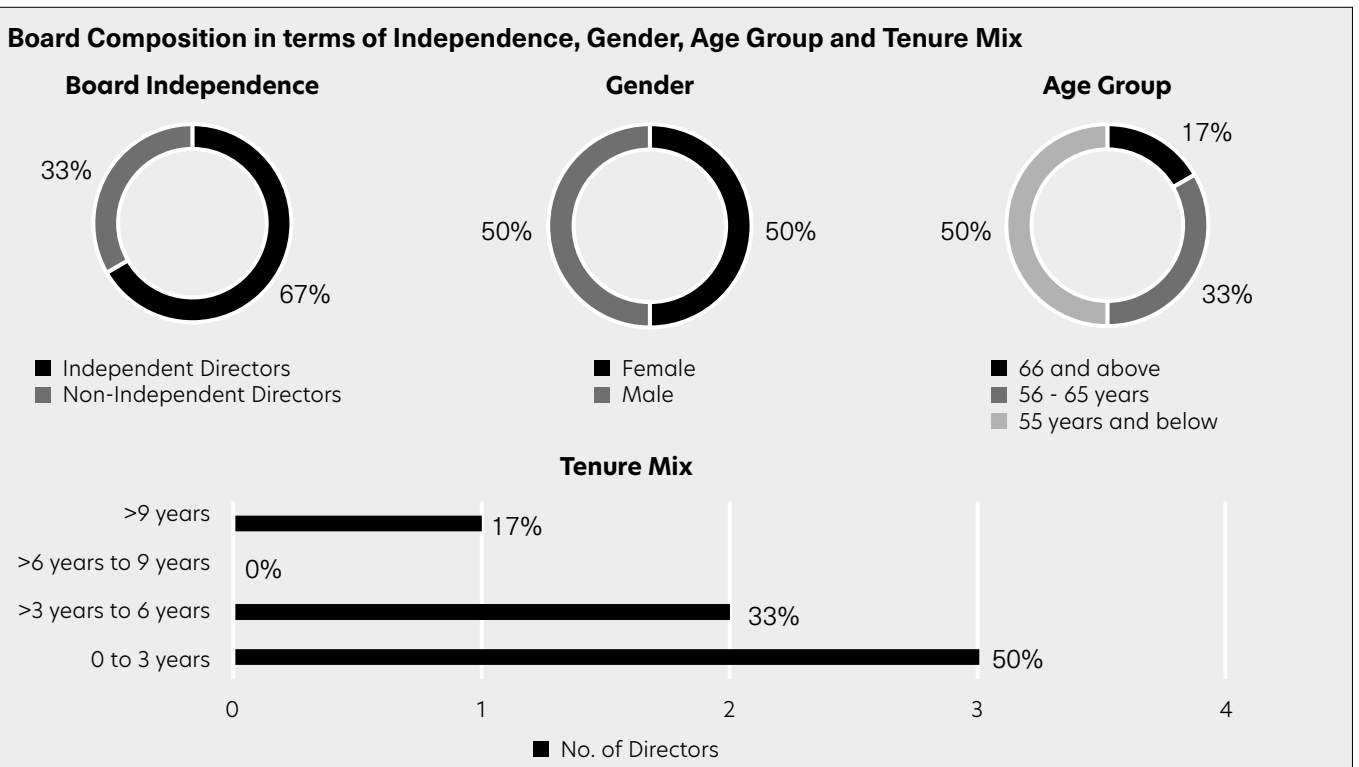

CORPORATE GOVERNANCE REPORT

Under the Board Diversity Policy, the NC will, in reviewing and assessing the composition of the Board and making recommendations to the Board on the appointment of new directors, consider aspects such as professional qualifications, industry and geographic knowledge, skills, length of service, age, gender, and the needs of the trust. The NC will review the structure, size, balance and diversity of the Board annually and propose any changes to the Board to complement the trust’s objectives and strategies. In this regard, the NC will review and report to the Board annually the objectives and progress made in achieving an appropriately diverse board composition.

Currently, the Board and its Board Committees comprise directors with an appropriate balance and diversity of skills, experience and knowledge. The Directors have diverse backgrounds in accounting and auditing, capital markets, banking and finance, investment and fund management, real estate development, hospitality services, tourism, corporate governance, strategic planning, and corporate and commercial law. Directors engage in open and constructive debate and regularly challenge Management on its assumptions and proposals. Directors also review the performance of Management in meeting agreed goals and objectives, and monitor the reporting of performance. Management has benefited from Directors’ invaluable views and experiences.

In FY 2022, the Board had sought to achieve a greater balance of diversity in the aspects of gender, age and professional qualifications, and Mr Gerald Lee was appointed to the Board in July 2022 as an Executive Director. Mr Lee is also the CEO of the REIT Manager and Trustee-Manager and has over 30 years of tourism, hospitality and real estate experience, adding to the Board’s wealth of experience, skills, knowledge and perspective.

Pertaining to gender diversity, the Board had three out of six (50%) of its members being female directors represented on the Board compared favourably to the national average of 21.5%¹ for the largest 100 SGX-listed companies by market capitalisation. The Board and NC seeks to achieve a good balance in diversity amongst the directors in terms of age, gender, background, and relevant experience so as to facilitate independent and effective decision-making.

1 Statistics reported as at 31 December 2022 by the Council for Board Diversity.

CORPORATE GOVERNANCE REPORT

CHAIRMAN AND CHIEF EXECUTIVE OFFICER

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

The positions of Chairman of the Board and Chief Executive Officer (“CEO”) of the REIT Manager are held by two different individuals in order to maintain effective segregation of duties, ensure an appropriate balance of power and authority, increased accountability and to maintain effective checks and balances. The Chairman of the Board and Trustee-Manager Board is Mr Wee Kheng Jin, while the CEO of the REIT Manager and CEO of the Trustee-Manager is Mr Gerald Lee. The Chairman and CEO are not related to each other and do not have close family ties.

There is a clear separation of the roles and responsibilities between the Chairman and the CEO of the REIT Manager. Mr Wee Kheng Jin leads the Board to ensure its effectiveness on all aspects of its role. He ensures that adequate time is given for discussion of all items at the board meeting, in particular strategic issues. He also facilitates effective contribution of the directors and encourages a culture of openness and debate at board meetings. The Chairman also ensures that the Board works together with integrity and competency, and that the Board engages Management in constructive debate on strategy, business operations, enterprise risk management and other plans.

Mr Gerald Lee is principally responsible for the management and conduct of the business of the REIT Manager. He has full executive responsibilities over the business direction and operational decisions in managing Far East H-REIT.

Provision 3.3 of the Code recommends the appointment of an independent director to be the lead independent director in certain circumstances, including where the Chairman is not independent. As such, Ms Vivienne Lim is the designated lead independent director. She is also the Chairman of the NC.

Ms Lim, as the lead independent director, provides leadership among the Directors to enhance objectivity and independence of the Board and has held meetings with the independent directors without the presence of the non-independent directors and Management as she deemed appropriate or necessary, and provided feedback to the Chairman of the Board after each meeting.

Ms Lim also acts as an alternative communication channel to the Board for Stapled Securityholders when the normal channels of communication with the Chairman or Management are inappropriate or inadequate. Questions or feedback may be submitted via email to the Lead Independent Director at viviennelim@fareast.com.sg.

BOARD MEMBERSHIP

Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

NOMINATING COMMITTEE

The Board established its NC on 19 January 2016. The NC members are appointed by the Board from among its members, the majority of whom (including the Chairman of the NC) are independent directors. The members of the NC are Ms Vivienne Lim (Chairman of the NC and Lead ID), Ms Catherine Lee (Independent Director) and Mr Wee Kheng Jin (Non-Independent Director). He was appointed as a member of the NC with effect from 1 July 2022 to replace Mr Huang Cheng Eng who stepped down as a director on 30 June 2022.

CORPORATE GOVERNANCE REPORT

ROLES AND RESPONSIBILITIES OF THE NC

The NC has written terms of reference setting out its scope and authority in performing the functions of a nominating committee, including assisting the Board in matters relating to:

- Selection and appointment of new directors and re-appointment of the existing Directors of the Board, taking into account their contribution, performance and ability to commit sufficient time and attention to the affairs of Far East H-REIT, as well as their respective commitments outside Far East H-REIT;
- Implementation and monitoring of the Board Diversity Policy in order to make recommendations to the Board on the diversity of skills, experience, gender, age, knowledge, size and composition of the Board;
- Determining annually whether or not a director is independent, having regard to the circumstances set forth in Provisions 2.1 and 2.2 of the Code and SGX Listing Rule 210 (5)(d);
- Deciding whether or not a director is able to and has been adequately carrying out his or her duties as a director;
- Review of succession plans, in particular the appointment and/or replacement of the Chairman, Board Members, the CEO and key management personnel;
- Development of the process and criteria for evaluation of the performance of the Board, its Board Committees and Directors;
- Review of training and professional development programmes for the Board and its Directors; and
- Such other authorities and duties as provided in the Code.

The NC administers nominations to the Board, reviews the structure, size and composition of the Board and reviews the performance and independence of the Directors. In addition, as part of regulatory requirements, MAS also requires prior approval for any change of the CEO or of any appointment of director.

The NC is of the view that the members of the Board provide an appropriate balance and diversity of skills and commercial experience, as elaborated on in the Board Composition and Diversity Policy section on pages 90 and 91. The NC believes that a director's eligibility for selection, appointment and re-appointment goes beyond his or her attendance at meetings. The NC takes into consideration a director's competencies, commitment, contribution and performance, and is committed to providing an appropriate balance and diversity of skills, experience and knowledge.

REVIEW OF DIRECTORS' TIME COMMITMENTS

All directors are required to commit sufficient time and attention to the affairs of Far East H-REIT and the REIT Manager. The NC will annually, and as required, assess the major commitments including employment and listed company directorships and whether the director has and can suitably fulfill his or her duties as a director of the REIT Manager.

Towards this end, the REIT Manager has established a policy that any of its directors may not take on more than the following number of listed company directorships without prior consultation and agreement of the NC and the Board:

- For a director who is an executive of a company (including the REIT Manager): not more than two external listed company directorships.
- For a director who is not an executive of any company: not more than five listed company directorships.

None of the current directors have reached the limits as set out in the above policy.

CORPORATE GOVERNANCE REPORT

Based on Directors' full attendance record at Board and Board Committee meetings (as set out on page 87) and contributions outside of formal Board and Board Committee meetings, the NC is satisfied that all Directors are able to and have committed sufficient time and discharged their duties adequately for the financial year ended 31 December 2022. The REIT Manager has no alternate directors on its Board.

Key information regarding the Directors such as academic and professional qualifications, committee membership, date of appointment, and details about the present and past directorships of each Director are set out on pages 12 to 15. The Directors' Stippled Securityholdings in Far East H-Trust are set out on page 210.

SELECTION AND APPOINTMENT OF NEW DIRECTORS

The NC regularly reviews the existing attributes and competencies of the Board in order to determine the desired experience or expertise required to strengthen or supplement the Board. The NC is in charge of making recommendations to the Board regarding the identification and selection of new directors.

In identifying candidates for new appointments to the Board as part of the Board's renewal process, the following principles are applied by the NC:

- The Board should comprise directors with a broad range of commercial experience, including expertise in business management, tourism and hospitality, real estate, finance, investments and legal matters;
- The Board should have diversity in terms of gender and age;
- More than half of the Board should comprise independent directors as the Chairman is not an independent director;
- The candidate is able to commit time and effort to carry out duties and responsibilities effectively; and
- The candidate is fit and proper in accordance with MAS' fit and proper guidelines, taking into account his or her track record, capabilities and such other relevant experience as may be determined by the Board.

Given the selection criteria, the search for potential candidates is initiated by considering recommendations from Board members and Management and conducting an external search for candidates that fit the criteria. To extend the reach of the search, the Board may use external search agencies such as the Board Appointment Service of SID, which assisted with the recruitment of one of the board members.

The NC will then shortlist and interview the candidates. Shortlisted candidates are evaluated by the Chairman of the Board and IDs so that recommendations made on proposed candidates are objective and well-supported. Candidates are evaluated and selected based on their relevant expertise and potential contributions. Other factors including the current and mid-term needs and goals of Far East H-REIT are also considered. Once a candidate is selected for the Board, the NC conducts due diligence through reference checks before putting it up to the Board for approval.

Having initiated the Board succession and renewal process five years ago with the appointment of Ms Vivienne Lim in 2018, Ms Catherine Lee in 2019, Ms Celestine Khoo in 2020, Mr Benedict Leh in 2021 and Mr Gerald Lee in 2022, the NC had reviewed the current size and composition of the Board as at 31 December 2022. The NC plans to continue the process of gradually and progressively refreshing its IDs, taking into account, among other factors, the implementation of the nine-year rule on director independence in the SGX Listing Rules.

CORPORATE GOVERNANCE REPORT

KEY MANAGEMENT SUCCESSION

In addition to succession planning of the Board, the NC reviews the succession plans for key management positions. Given the small size of the REIT management team, the succession planning includes reviewing possible cross-deployment of personnel from the wider group of the Sponsor. In January 2021, a senior staff from FEO joined the management team to assume the role of Vice President, Asset Management and Enhancement while the incumbent was redeployed to a unit within the Sponsor.

BOARD PERFORMANCE

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

The NC assesses and discusses the performance of the Board as a whole and its Board Committees on an annual basis. The NC has in place a process to evaluate the effectiveness of the Board and its Board Committees, as well as the contribution by the Chairman and each individual Director. The review allows each Director to individually express his or her personal and confidential assessment of the Board's overall effectiveness in discharging its duties and responsibilities. It provides insights into the functioning of the Board and its Board Committees, whilst identifying areas that need strengthening or improvement.

The criteria for evaluation of the Board's performance includes board composition, access to information, board process, risk management, strategy and planning, board accountability, and engagement with CEO and Management. These performance criteria are approved by the Board, and are generally unchanged from year to year so that trends may be determined.

The Directors are required to complete evaluation questionnaires for the Board and its Board Committees and an individual director self-assessment questionnaire. The individual Director's performance is assessed based on the Director's duties and performance, knowledge and interactive skills.

An external facilitator, Ms Wong Su Yen, CEO of Bronze Phoenix Consulting Pte Ltd and Chairman of SID, was engaged to assist the NC in conducting this evaluation and assessment of the performance of the Board, its Board Committees and the individual Directors. The external facilitator is independent, has no other business relationship with the trust, and is not related to the directors.

The Company Secretaries of the REIT Manager (from Tricor Evatthouse Corporate Services, the corporate secretarial agent) assist in compiling and tabulating the responses received from Directors to facilitate the external facilitator's assessment and analysis. The questionnaires are on a no-name basis and the submissions are kept confidential by the Company Secretaries of the REIT Manager who administer this process.

From the responses, a consolidated report is prepared and provided to the NC and the external facilitator. They review the responses and feedback, as well as the areas where the Board's performance and effectiveness could be enhanced. The board performance evaluation results and recommendations for improvement are then presented to the Board by the external facilitator for discussion and for implementation to help the Board discharge its duties more effectively.

Each director is given sufficient opportunity to bring to the Board his or her perspective to enable balanced and well-considered decisions to be made.

CORPORATE GOVERNANCE REPORT

The Board, in consultation with the NC, is satisfied that the Board has met its performance objectives for the year under review.

(B) REMUNERATION MATTERS

PROCEDURES FOR DEVELOPING REMUNERATION POLICIES

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

LEVEL AND MIX OF REMUNERATION

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

DISCLOSURE ON REMUNERATION

Principle 8: The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

REMUNERATION COMMITTEE

The RC members are appointed by the Board from among its members, the majority of whom (including the Chairman of the RC) are independent directors. The members of the RC are Ms Celestine Khoo (Chairman of RC), Mr Wee Kheng Jin (Chairman and Non-Executive Director) and Ms Vivienne Lim (Lead ID).

ROLES AND RESPONSIBILITIES OF THE RC

The RC plays an important role in ensuring the attraction, recruitment, motivation and retention of talents through competitive remuneration and progressive policies so as to achieve Far East H-Trust's goals, and to deliver sustainable Staped Securityholder value, distribution income, as well as growth in total returns. Terms of reference setting out the scope and authority in performing the function of the RC have been written, and these include assisting the Board in matters relating to:

- Reviewing and recommending to the Board for endorsement a framework of remuneration for the directors and key management personnel (no member of the Board is involved in any decision of the Board relating to his or her own remuneration). The framework covers all aspects of remuneration, including fees, salaries, allowances, bonuses, grant of shares and share options and benefits-in-kind;
- Reviewing and recommending to the Board on the specific remuneration packages for each director as well as for the key management personnel;
- Consulting independent professional consultancy firms, where necessary in determining remuneration packages; and
- Considering the various disclosure requirements for directors' remuneration and ensuring that there is adequate disclosure in the financial statements to ensure and enhance transparency between Far East H-Trust and relevant interested parties.

CORPORATE GOVERNANCE REPORT

The RC seeks to ensure that the remuneration paid to the key management personnel of the REIT Manager is closely linked to the achievement of corporate and individual performance targets. The performance targets approved by the Board at the start of each year are set with the purpose of motivating a high degree of business performance with emphasis on both short- and longer-term quantifiable goals. At the close of each financial year, the RC reviews the achievements of the REIT Manager against the targets set to determine the overall performance taking into consideration qualitative factors such as the business environment, regulatory landscape and industry trends, and approves a bonus pool that is commensurate with the performance achieved.

Where necessary, the Board modifies the framework of remuneration to align the REIT Manager's compensation with the interests of the Stapled Securityholders. Remuneration of the directors, executive officers and employees of the REIT Manager is not paid out of the deposited property of Far East H-REIT but paid by the REIT Manager from the fees it receives.

KEY MANAGEMENT EXECUTIVES' REMUNERATION FRAMEWORK

The remuneration of key management personnel is structured to take into account:

- The strategic objectives and goals of Far East H-Trust
- Corporate and individual performance, both in terms of financial and non-financial performance of Far East H-Trust through the incorporation of appropriate key performance indicators that are specific, measurable and result-oriented

The key performance indicators used to determine the remuneration of the CEO and key management personnel of the REIT Manager include:

- Far East H-Trust's income available for distribution
- Distribution per Stapled Security
- Total Stapled Securityholder Return
- Investor relations management
- Asset enhancement initiatives
- Environmental, Social and corporate governance initiatives
- Other strategic initiatives as determined from time to time

These performance indicators are appropriate and meaningful measures which assess Management's performance, whilst taking into account the risk policies of Far East H-Trust. Structuring the level of remuneration as such aligns the interests of key management personnel with that of the Stapled Securityholders and promotes the long-term success of Far East H-Trust.

The remuneration of key management personnel comprises a fixed and a variable component. The fixed component comprises a fixed salary and compulsory employer contribution to the employees' Central Provident Fund. The variable component comprises short-term cash bonuses, and long-term equity-based incentives whereby stapled securities in Far East H-Trust ("Stapled Securities") are awarded under a Restricted Unit Plan based on pre-determined targets (e.g. total Stapled Securityholder return), set over a one-year performance period and vesting over a three-year period.

This structure links rewards only to the performance of Far East H-Trust and the individual's performance, and there is no link to the performance of the controlling shareholder of the REIT Manager. It takes into consideration the risk policies of Far East H-Trust so as to be symmetric with risk outcomes and sensitive to the time horizon of risks.

CORPORATE GOVERNANCE REPORT

The remunerations of the CEO and each of the key management personnel are reviewed by the RC and recommended to the Board for approval.

NON-EXECUTIVE DIRECTORS' REMUNERATION AND FEE STRUCTURE

The RC also ensures that the remuneration of non-executive directors is appropriate to their level of contribution taking into account factors such as effort and time spent, and their responsibilities. The RC ensures that independent directors are not over-compensated to the extent that their independence may be compromised. None of the Directors has any service contracts with the REIT Manager.

The structure of directors' fees for non-executive directors comprises a base fee for serving as a Director and additional fee for serving as Chairman or member on each Board Committee. It also takes into account the following:

- Directors' responsibilities and contributions; and
- Industry practices and norms on remuneration, including the guidelines set out in the Remuneration Committee Guide of the SID.

The CEO, who is an Executive Director, is remunerated as part of the key management personnel of the REIT Manager and does not receive any director's fee.

The directors' fees (including the Chairman) are paid in the form of cash (80% of the total fees) and Stapled Securities (20% of the total fees) with effect from the financial year commencing 2018. The incorporation of an equity component in the total remuneration of the Directors is intended to achieve the objective of aligning the interests of Directors with those of Stapled Securityholders and the long-term interests of the REIT. Non-executive directors are required to hold the Stapled Securities awarded for as long as he/she is on the Board in order to better align the interests of non-executive Directors with the interests of Stapled Securityholders. A Director who steps down from the Board during a financial year will be paid fees calculated on a pro-rated basis.

Directors' fees are reviewed and endorsed by the RC. The framework for determining the Directors' fees is shown in the table below:–

Main Board	Chairman	S\$70,000 per annum
	Director	S\$55,000 per annum
Audit, Sustainability & Risk Committee	Chairman	S\$40,000 per annum
	Member	S\$20,000 per annum
Remuneration Committee	Chairman	S\$20,000 per annum
	Member	S\$10,000 per annum
Nominating Committee	Chairman	S\$15,000 per annum
	Member	S\$ 7,500 per annum

CORPORATE GOVERNANCE REPORT

INDUSTRY BENCHMARKING AND ENGAGEMENT OF CONSULTANT

In determining the remuneration of its directors and key management personnel, the REIT Manager benchmarks against the industry and seeks views on market practices and trends by engaging an independent remuneration consultant, Korn Ferry (SG) Pte. Ltd. The consultant is not related to the REIT Manager, its controlling shareholder, its related corporations or any of its Directors. The REIT Manager also takes reference from market practices in the formulation and review of its remuneration policies.

The REIT Manager applies the principle that remuneration matters are to be sufficiently structured and benchmarked to good market practices in order to attract suitably qualified talent, to grow and manage Far East H-REIT. The REIT Manager applies the principle that the remuneration for the Board and key executives should be viewed in totality. It is a concerted pursuit of strong and ethical leadership for the success of Far East H-Trust and the REIT Manager.

The RC reviews the employment contracts to ensure that they contain fair and reasonable termination clauses. Contractual provisions have also been instituted to allow the REIT Manager to reclaim incentive components of the remuneration from the CEO and the key management personnel paid in prior years in exceptional circumstances of misstatement of financial results or of misconduct resulting in financial loss.

The Board and RC have reviewed and ensured that the level and structure of remuneration for the REIT Manager's key management personnel and non-executive directors are in alignment with the long-term interests and risk management policies of Far East H-Trust.

CORPORATE GOVERNANCE REPORT

(C) ACCOUNTABILITY AND AUDIT

RISK MANAGEMENT AND INTERNAL CONTROLS

Principle 9: The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

ROLE OF THE BOARD AND ASRC IN ENSURING EFFECTIVE RISK MANAGEMENT AND INTERNAL CONTROLS

The Board recognises the importance of a sound system of risk management and internal controls to safeguard Stapled Securityholders' interests and Far East H-REIT's assets. The Board affirms its responsibility for Far East H-REIT's system of risk management and internal controls, and for reviewing the adequacy and effectiveness of Far East H-REIT's risk management and internal control systems, including financial, operational, compliance and Information Technology ("IT") controls on an annual basis.

The ASRC assists the Board in examining the adequacy and effectiveness of internal controls policies and procedures to ensure that a robust risk management framework and internal control system is maintained while the Board reviews the adequacy and effectiveness of the risk management and internal control system. The ASRC also assesses the materiality of specific developments or risks that might have an impact on the security price of Far East H-Trust.

FORMULATION OF RISK MANAGEMENT FRAMEWORK AND INTERNAL CONTROL SYSTEM

Far East H-Trust utilises the Enterprise Risk Management ("ERM") framework to identify, monitor and manager its risks. In setting up the risk management framework, the extent of risk tolerance and the risk parameters based on Far East H-REIT's current operations have been set and approved by the Board after taking into consideration Far East H-REIT's strategic objectives. The risk parameters guide Management on managing the risks of Far East H-REIT and these parameters are regularly reviewed to ensure they are relevant to Far East H-REIT's operating profile.

The ASRC guides Management in the formulation of risk policies and processes in identifying, evaluating and managing key risks while the ownership of risk management lies with the CEO and he is supported by the respective managers. The nature and extent of risks are assessed regularly by Management and internal auditors, and reports are submitted to the ASRC as and when necessary. The ASRC reports to the Board on material findings and makes recommendations or seeks guidance from the Board in respect of any material risk issues.

Any findings on material non-compliance or weaknesses in internal controls and risk management by the internal auditors are reported to the ASRC. The recommendations to further improve the internal control system and risk management system are reported to the ASRC and actions are taken by Management.

ASSESSMENT AND MANAGEMENT OF MATERIAL RISKS

The assessment of material risks, countermeasures and mitigating strategies are elaborated under the Enterprise Risk Management section on pages 82 and 83 of this Annual Report.

In managing conflicts of interest risk, the REIT Manager has instituted the following procedures:

- The REIT Manager will not manage any other REIT which invests in the same type of properties as Far East H-REIT;

CORPORATE GOVERNANCE REPORT

- All executive officers will be employed by the REIT Manager and will not hold executive positions in any other entities;
- All resolutions in writing of the Directors of the REIT Manager in relation to matters concerning Far East H-REIT must be approved by a majority of the Directors, including at least one Director independent from management and business relationships with the REIT Manager;
- At least half of the Board shall comprise such independent directors;
- In respect of matters in which a director of the REIT Manager or his or her associates (as defined in the Listing Manual) has an interest, direct or indirect, such interested director will abstain from voting. In such matters, the quorum must comprise a majority of the Directors of the REIT Manager and must exclude such interested director;
- In respect of matters in which the Sponsor has an interest, direct or indirect, any director appointed by the Sponsor to the Board to represent its interests will abstain from deliberations and voting on such matters. In such matters, the quorum must comprise a majority of the Directors of the REIT Manager independent from management and business relationships with the REIT Manager and must exclude such directors of the Sponsor. Save for resolutions relating to the removal of the REIT Manager, the REIT Manager and its associates (as defined in the Listing Manual) are prohibited from voting or being counted as part of a quorum in Stapled Securityholders' meetings convened to approve any matter in which the REIT Manager and/or any of its associates has an interest, and for so long as the REIT Manager is the manager of Far East H-REIT, the controlling shareholders of the REIT Manager and of any of its associates (as defined in the Listing Manual) are prohibited from voting or being counted as part of a quorum in any Stapled Securityholders' meetings convened to consider a matter in respect of which the relevant controlling shareholders of the REIT Manager and/or of any of its associates have an interest; and
- It is also provided in the Trust Deed that if the REIT Manager is required to decide whether or not to take any action against any person in relation to any breach of any agreement entered into by the REIT Trustee for and on behalf of Far East H-REIT with an Interested Person (as defined in the Listing Manual) and/or, as the case may be, an Interested Party (as defined in the Property Funds Appendix) (collectively, a "Related Party") of the REIT Manager, the REIT Manager shall be obliged to consult with a reputable law firm (acceptable to the REIT Trustee) which shall provide legal advice on the matter. If the said law firm is of the opinion that the REIT Trustee, on behalf of Far East H-REIT, has a *prima facie* case against the party allegedly in breach under such agreement, the REIT Manager shall be obliged to take appropriate action in relation to such agreement. Directors of the REIT Manager will have a duty to ensure that the REIT Manager so complies. Notwithstanding the foregoing, the REIT Manager shall inform the REIT Trustee as soon as it becomes aware of any breach of any agreement entered into by the REIT Trustee for and on behalf of Far East H-REIT with a Related Party of the REIT Manager and the REIT Trustee may take such action as it deems necessary to protect the rights and interests of the Stapled Securityholders of Far East H-Trust. Any decision by the REIT Manager not to take action against a Related Party of the REIT Manager shall not constitute a waiver of the REIT Trustee's right to take such action as it deems fit against such Related Party.

INTERNAL CONTROL SYSTEM FOR RELATED PARTY AND INTERESTED PERSON TRANSACTIONS

The REIT Manager has established an internal control system to ensure that all Related Party Transactions, Interested Party Transactions (as defined in the Property Fund Appendix) and Interested Person Transactions (as defined in the Listing Manual) (collectively "IPT"):

- will be undertaken on an arm's length basis and on normal commercial terms; and
- will not be prejudicial to the interests of the Stapled Securityholders of Far East H-Trust.

CORPORATE GOVERNANCE REPORT

Related party transactions have been disclosed in the financial statements of this annual report. As a general rule, the REIT Manager must demonstrate to the ASRC that such transactions satisfy the foregoing criteria, which may entail obtaining (where practicable) quotations from parties unrelated to the REIT Manager, or obtaining valuations from independent professional valuers (in accordance with the Property Funds Appendix).

The REIT Manager maintains a register to record all IPT which are entered into by Far East H-REIT and the bases, including any quotations from unrelated parties and independent valuations obtained, on which they are entered into.

The REIT Manager has incorporated into its internal audit plan to review all IPT entered into by Far East H-REIT. The ASRC will monitor the procedures established to regulate IPT, including reviewing any IPT entered into from time to time and the internal audit reports at least twice a year to ascertain that the guidelines and procedures established to monitor IPT have been complied with (including relevant provisions of the Listing Manual and Property Funds Appendix). If a member of the ASRC has an interest in a transaction, he or she is to abstain from participating in the review and approval process in relation to that transaction.

In addition, the REIT Trustee will also have the right to review such audit reports to ascertain that the Property Funds Appendix has been complied with. The review will include the examination of the nature of the transaction and its supporting documents or such other data deemed necessary to the ASRC.

Further, the following procedures will be adhered to:

- Transactions (either individually or as part of a series or if aggregated with other transactions involving the same interested party during the same financial year) equal to or exceeding S\$100,000 in value but less than 3.0% of the value of Far East H-REIT's latest audited net tangible assets/net asset value will be subject to review by the ASRC at regular intervals;
- Transactions (either individually or as part of a series or if aggregated with other transactions involving the same interested party during the same financial year) equal to or exceeding 3.0% but below 5.0% of the value of Far East H-REIT's net tangible assets/net asset will be subject to the review and prior approval of the ASRC. Such approval shall only be given if such transaction is conducted on an arm's length basis, on normal commercial terms and consistent with similar types of transactions made with third parties which are not interested parties; and
- Transactions (either individually or as part of a series or if aggregated with other transactions involving the same interested party during the same financial year) equal to or exceeding 5.0% of the value of Far East H-REIT's net tangible assets/ net asset value will be reviewed and approved prior to such transaction being entered into, on the basis described in the preceding paragraph, by the ASRC which may, as it deems fit, request advice on the transaction from independent sources or advisers, including the obtaining of valuations from independent professional valuers. Further, under the Listing Manual and the Property Funds Appendix, such transaction would have to be approved by the Far East H-Trust Stapled Securityholders at a meeting duly convened.

Where matters concerning Far East H-REIT relate to transactions entered into or to be entered into by the REIT Trustee for and on behalf of Far East H-REIT with an interested party (which would include relevant associates thereof), the REIT Trustee is required to ensure that such transactions are conducted on normal commercial terms, are not prejudicial to the interests of Far East H-REIT and the Stapled Securityholders of Far East H-Trust, and are in accordance with all applicable requirements of the Property Funds Appendix and/or the Listing Manual relating to the transaction in question. Furthermore, the REIT Trustee has the ultimate discretion under the Trust Deed to decide whether or not to enter into a transaction involving an interested party. If the REIT Trustee is to sign any contract with an interested party, the REIT Trustee will review the contract to ensure that it complies with the requirements relating to IPT in the Property Funds Appendix (as may be amended from time to time) and the provisions of the Listing Manual relating to IPT (as may be amended from time to time) as well as guidance prescribed by the MAS and SGX-ST.

The Board accepts that the internal control systems contain inherent limitations and notes that no system can provide absolute assurance against the occurrence of material errors, poor judgment in decision making, human errors, fraud and other irregularities.

The internal and external auditors have unrestricted access to the ASRC.

During the year under review, four ASRC meetings were held. The ASRC also met separately with the internal auditor and external auditor, without the presence of the executive officers of the REIT Manager on one occasion each to discuss issues and to confirm that they had full access to and received co-operation and support from the Management.

CORPORATE GOVERNANCE REPORT

The ASRC has conducted a review of all non-audit services provided and/to be rendered by EY, the external auditor, during the year under review. The aggregate amount of fees paid and payable to EY was S\$146,200, of which audit fees amounted to S\$80,000 and non-audit fees amounted to S\$66,200. The non-audit fees paid/payable to EY relates to general tax, GST compliance work and tax advisory work. The statutory audit fee for Far East H-Trust is relatively low compared to peer organisations because a significant part of the audit work relating to Far East H-REIT's gross revenue has been performed by the auditors of the Master Lessees.

The fees paid to EY for non-audit services did not exceed 50% of the total fees paid. The ASRC, having regard to the nature and performance of the work by EY, is of the view that the auditor's independence and objectivity are not impaired or threatened.

In reviewing the nomination of EY for re-appointment for the financial year ending 31 December 2022, the ASRC had taken into consideration the Audit Quality Indicators Framework introduced by ACRA. The ASRC also considered the adequacy and experience of the professional staff and audit engagement partner assigned, EY's experience in the REIT sector and the size and complexity of the audit. The objective of the Whistle Blowing Policy is to ensure that arrangements are in place for such concerns to be raised and independently investigated, and for appropriate follow-up action to be taken. The Whistle Blowing Policy deals with defalcation, impropriety, or wrongdoing by employees in situations including but not limited to suspected fraud, corruption, and unlawful or dishonest conduct.

Whistle-blowers are given the option to remain anonymous and may report via an external independent hotline or directly to FEO's Head of Internal Audit. Establishing these policies reflects the REIT Manager's commitment to conduct its business within a framework that fosters the highest ethical standards.

The Whistle Blowing Policy is made available to all new employees when they join the REIT Manager, and they are briefed on this together with FEO's Code of Conduct. The Whistle Blowing Policy is also publicly disclosed on Far East H-Trust's website at <https://www.fehtrust.com/corporate-governance.html>.

CORPORATE GOVERNANCE REPORT

REVIEWS CONDUCTED BY THE ASRC

During the year under review, the ASRC performed independent reviews of the half-yearly and full year financial results as well as interim business updates of Far East H-Trust before recommending to the Board for approval on the release of the financial statements and SGX announcements relating to Far East H-Trust's financial statements. In the process, the ASRC reviewed the significant financial reporting issues and judgements, including the appropriateness of accounting policies and the quality and completeness of disclosure to ensure the integrity of the financial statements. The ASRC also reviewed, among other matters, the following key audit matters ("KAM") identified by the external auditor for the financial year ended 31 December 2022:

Key Audit Matter	How the issue was addressed by ASRC
Valuation of Investment Properties	<p>The ASRC considered the approach and methodology applied to the valuation model in assessing the valuation of investment properties.</p> <p>The ASRC noted that:</p> <ul style="list-style-type: none"> • There was appropriate use of third party valuers who have recognised professional qualification and experience in the location and category of properties being valued; • In accordance with the Property Funds Appendix, the valuers have been changed every two years to provide independent and fresh perspective to the valuation process; and • Material judgmental assumptions used in the valuations were within reasonable parameters. <p>The ASRC considered the findings of the external auditor, including the assessment of the appropriateness of the valuation techniques and the underlying assumptions applied, as well as the rapid changes in the market and economic conditions which increases the level of estimation uncertainty and judgement required.</p> <p>The ASRC considered the valuation of the investment properties to be appropriate.</p>

The ASRC reviewed and approved the audit plan and scope of the external auditors on the audit of the full year financial statements. The ASRC also reviewed and approved the internal audit plan and scope of the internal auditor's work and its audit programme. It reviewed the findings during the year and Management's responses thereto and it satisfied itself to the adequacy of the internal audit function. In addition, the ASRC reviewed the IPT to ensure compliance with the Listing Manual and the Property Funds Appendix.

Changes to the accounting standards and issues which have direct impact on the financial statements were reported and discussed with the ASRC at its meetings. The ASRC has considered the introduction of new accounting standards for the annual periods beginning on 1 January 2022 and the effect to the financial statements of Far East H-Trust.

The ASRC does not expect the adoption of the new standards to have material impact to the financial statements of Far East H-Trust.

CORPORATE GOVERNANCE REPORT

ROLE AND DUTIES OF INTERNAL AUDITORS

The role of the internal auditors is to assist the ASRC in ensuring that the REIT Manager maintain a sound system of internal controls by regularly monitoring key controls and procedures and ensuring their effectiveness, undertaking investigations as directed by the ASRC, and conducting regular in-depth audits of high-risk areas.

The ASRC approves the hiring, removal, evaluation and compensation of the internal auditor or the accounting/auditing firm or corporation to which the internal audit function is outsourced. The REIT Manager has engaged Deloitte & Touche Enterprise Risk Services Pte Ltd (“Deloitte & Touche”) as the internal auditor for a three-year period commencing 1 January 2020. Deloitte & Touche adopts the Standards for the Professional Practice of Internal Auditing set by the Institute of Internal Auditors (IIA). The internal auditor is independent of management and reports directly to the Chairman of the ASRC.

The internal auditor plans the internal audit schedules in consultation with, but independent of the REIT Manager. The audit plan is submitted to the ASRC for approval prior to the commencement of the internal audit work. The internal auditor has unfettered access to all the REIT Manager’s documents, records, properties and personnel, including access to the ASRC. The ASRC reviews the internal audit report regularly and monitors the implementation of the improvements required on internal control weaknesses identified.

During the year under review, Far East Management (Private) Limited (“FEMPL”) assisted in administering the Whistle Blowing Policy and Loss Management Policy of the REIT Manager. FEMPL reports to the ASRC on any whistle-blowing report or loss management incidents.

For the year under review, the ASRC is of the view that the internal audit function is adequately resourced and has appropriate standing within the company. The ASRC has reviewed and is satisfied with the adequacy, independence and effectiveness of the internal audit function.

For the year commencing 1 January 2023, the REIT Manager has engaged another accounting/auditing firm as the internal auditor, to provide internal audit services over a three-year period. This change of the outsourced internal audit firm is part of the review at the end of the three-year term. It also in line with the REIT Manager’s and ARC’s continued practice to uphold good corporate governance standards for Far East H-Trust.

(D) SHAREHOLDER RIGHTS AND ENGAGEMENT

SHAREHOLDER RIGHTS AND CONDUCT OF GENERAL MEETINGS

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders’ rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

The Board is responsible for providing a balanced and understandable assessment of Far East H-REIT’s performance, position and prospects. In this regard, Management provides timely, complete, adequate information to the Board through the most expedient means. On a monthly basis, Management provides the Board with an update on Far East H-REIT’s operating performance. A set of management accounts with analysis is provided to the Board on a quarterly basis.

CORPORATE GOVERNANCE REPORT

The Board embraces openness and transparency in the management of Far East H-Trust, whilst preserving its commercial interests. Financial reports, press releases, media and analyst presentation slides and other price sensitive information are disseminated to Stapled Securityholders through announcements via SGXNET and Far East H-Trust's website.

The REIT Manager is committed to treating all Stapled Securityholders fairly and equitably, and seeks to facilitate the exercise of ownership rights by all Stapled Securityholders.

Far East H-Trust is committed to communicating with investors, analysts and the investment community in a timely and comprehensive manner. The REIT Manager releases corporate information through posting announcements on SGXNET and Far East H-Trust's corporate website. The REIT Manager continues to strive towards improving the standard of disclosures and transparency to help investors make more informed investment decisions.

ANNUAL GENERAL MEETING ("AGM")

Stapled Securityholders are informed of AGMs or Extraordinary General Meetings ("EGM") through reports or circulars sent to them. Notices of the general meetings are also announced via SGXNET and Far East H-Trust's website. The Notice includes a disclosure of detailed information on each agenda item for the AGM. The requisite notice period for general meetings was adhered to.

Under normal circumstances, a physical AGM is held and all Directors, key management personnel of the REIT Manager and representatives from the REIT Trustee are physically present to address Stapled Securityholders' queries at the AGM and EGM. The external auditor is also physically present to answer Stapled Securityholders' questions about the conduct of the audit and the content of the auditors' report. Stapled Securityholders are encouraged to attend and participate by voting at the general meetings. Opportunity is given to every Stapled Securityholder to interact with Directors and Management of the REIT Manager, to communicate their views and ask questions on matters affecting Far East H-REIT.

In line with the COVID-19 (Temporary Measures) Act 2020 and the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020, Far East H-Trust's 10th AGM was held by way of electronic means on 21 April 2022. Due to capacity restrictions, only the Chairman, Lead Independent Director and CEO were physically present at the AGM. Other Directors, key management personnel of the REIT Manager, representatives from the REIT Trustee and the external auditor were present via live webcast. The Chairman acknowledged that Stapled Securityholders who were participating via webcast would be taken as present at and counted for quorum purposes for the AGM.

During the AGM, the CEO made a presentation to update Far East H-Trust's Stapled Securityholders on the market and industry operating environment, performance of Far East H-Trust's hotels and serviced residences, asset enhancement initiatives that had taken place during the year, and other recent developments in relation to acquisitions or projects that had been undertaken.

As Stapled Securityholders were not able to physically attend the AGM in person due to COVID-19, alternative arrangements were made in 2022 to facilitate Stapled Securityholders' participation at the AGM by

- a) watching the AGM proceedings via "live" audio-visual webcast or listening to the AGM proceedings via "live" audio-only stream;
- b) submitting questions in advance of the AGM; and
- c) appointing the Chairman as proxy to attend, speak and vote on their behalf at the AGM

CORPORATE GOVERNANCE REPORT

Under normal circumstances, if any Stapled Securityholder, who is not a Relevant Intermediary¹, is unable to attend, he/she is allowed to appoint up to two proxies to vote on his/her behalf at the meetings through proxy form sent in advance.

Stapled Securityholders who are Relevant Intermediaries may appoint more than two proxies to exercise all or any of its rights provided that each proxy is appointed to exercise rights attached to a different Stapled Security held by it. Where such Stapled Securityholder appoints more than two proxies, the appointments shall be invalid unless the Stapled Securityholder specifies the number of Stapled Securities in relation to which each proxy has been appointed. The amendment is consistent with the multiple proxies regime under the Companies (Amendment) Act 2014.

In line with Principle 11 of the Code, Stapled Securityholders who are absent in attendance will still be able to vote by proxy. Therefore, the REIT Manager has decided, for the time being, to refrain from implementing absentia voting until security, integrity, and other pertinent issues are satisfactorily resolved.

Each distinct issue is proposed as a separate resolution at the general meetings and the reasons and material implications are explained. All the resolutions at the AGM and EGM are moved by voting by poll. In 2022, due to restrictions on physical attendance at meetings, Stapled Securityholders who wished to exercise their voting rights had to appoint the Chairman as their proxy to vote on their behalf.

The voting and vote tabulation procedures are declared before the voting commences, and an independent scrutineer, DrewCorp Services Pte Ltd, is appointed to count and validate the votes. The voting results, showing the number of votes cast for and against each resolution and the respective percentages, are disclosed at the general meetings right after the votes are casted.

After the general meetings, announcements of the voting results are also made through SGXNET and on Far East H-Trust's website. Since 2019, the REIT Manager publishes minutes of general meetings of Stapled Securityholders on its corporate website, as soon as practicable. The minutes of Stapled Securityholders' meetings capture the attendance of Board members at the meetings, matters approved by Stapled Securityholders, voting results and substantial and relevant comments or queries from Stapled Securityholders relating to the agenda of the meetings, together with responses from the Board and Management. Minutes for the prior period are also available to our Stapled Securityholders upon their request.

In line with the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020, the minutes including details of Stapled Securityholders' questions and answers were published through SGXNET and on Far East H-Trust's corporate website within one month after the AGM.

With the progressive easing of COVID-19 Safe Management Measures in Singapore, the forthcoming AGM (Far East H-Trust's 11th AGM) will be held in a physical format on 20 April 2023 pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020 and Securityholders will be able to vote and ask questions in person. In addition, Securityholders will be able to submit their questions in advance with answers announced on SGXNet before proxy closes. The format may be subject to further changes as may be required due to the COVID-19 situation in Singapore.

¹ "Relevant Intermediary" shall have the meaning ascribed to it in the Companies Act 1967, Section 181 (6) and apply with such modifications and qualifications as may be necessary.

CORPORATE GOVERNANCE REPORT

They can also send their feedback or voice any concerns through Far East H-Trust's corporate email: enquiry@fehtrust.com.

With a majority of Stapled Securities held by institutional investors, Management considers meetings with local and foreign fund managers an integral part of investor relations. During the year, the CEO, CFO and the investor relations team had virtual meetings with institutional investors. These meetings and roadshows with investors enabled the CEO to update potential and existing Stapled Securityholders on Far East H-Trust's developments. DISCLOSURES ON FEES PAYABLE TO THE REIT MANAGER

Pursuant to the Trust Deed, the REIT Manager is entitled to receive fees payable out of the deposited property of Far East H-REIT.

The methodology for the computation and payment of fees, with reference to the relevant clauses in the Trust Deed, is disclosed on pages 148 and 149 under the "Notes to the Financial Statements" section of this Annual Report.

The management fees are earned by the REIT Manager for the management of Far East H-REIT's portfolio of properties. These fees are reviewed from time to time and benchmarking is conducted to ensure alignment to the interests of Far East H-Trust's Stapled Securityholders.

CORPORATE GOVERNANCE REPORT

The various fees earned by the REIT Manager and their rationale are further elaborated below:

BASE FEE AND PERFORMANCE FEE

The base fee covers the day-to-day operational, compliance, monitoring and reporting costs as well as administrative overheads incurred by the REIT Manager. The base fee represents the compensation to the REIT Manager for executing its core responsibilities and is based on a percentage of the value of the Far East H-REIT's deposited properties. The base fee is an appropriate metric to determine the resources required for managing Far East H-REIT given that as Far East H-REIT grows in portfolio size, the complexity of management increases and the REIT Manager is expected to expend greater effort in fulfilling its responsibilities. Since 1 January 2020, the base fee was reduced from 0.3% to 0.28% per annum of the value of deposited property.

The performance fee is an objective benchmark and incentivises the REIT Manager to proactively manage its portfolio, which may include but are not limited to asset enhancement initiatives, repositioning or re-branding of its properties, re-segmentation of its properties' customer base and driving cost efficiencies to improve profit margins. Since 1 January 2020, the performance fee was changed to the lower of 4% of the net property income or annual distributable amount (after accounting for base fee but before accounting for performance fee) from 4% of the net property income previously.

Such fee methodology aligns the interests of the REIT Manager and Stapled Securityholders and ensures the long-term sustainability of the assets, instead of taking on excessive short-term risks to the detriment of the Stapled Securityholders.

ACQUISITION FEE AND DIVESTMENT FEE

To continue delivering long-term sustainable distribution income to the Stapled Securityholders, the REIT Manager regularly reviews its portfolio of properties and sources for growth opportunities and yield-accretive acquisitions, and efficiently recycles capital through the divestment of underperforming or non-core assets. This involves a thorough review of the exposures, risks and returns as well as the overall value-add of the acquisition or divestment to the existing portfolio and future growth expectations.

The acquisition fee and divestment fee payable to the REIT Manager serve as a form of compensation for the time, effort and resources spent in sourcing, evaluating and executing potential opportunities to acquire new properties or in rebalancing and unlocking the underlying value of the existing properties within its asset portfolio to optimise Far East H-REIT's returns. The REIT Manager provides these services in addition to the provision of ongoing management services with the aim of ensuring income sustainability and achieving the investment objectives of Far East H-REIT.

The acquisition fee is 0.75% of purchase consideration for properties from related parties and 1% for properties for all other cases (or lower as the REIT Manager can determine). The divestment fee is 0.5% of the sale price. The acquisition fee is higher than the divestment fee because the time and efforts undertaken in terms of sourcing, evaluating and conducting due diligence, and fund raising for an acquisition, are higher as compared to a divestment.

STATEMENT OF POLICIES AND PRACTICES

Apart from the corporate governance practices disclosed in pages 84 to 119, the Trustee-Manager has prepared a statement of policies and practices in relation to the management and governance of Far East H-BT (as described in section 87(1) of the Business Trusts Act 2004 of Singapore) in respect of FY 2022, which is set out in pages 120 to 126 in this Annual Report.
